- Keeping an eye on your group of students at all times with safety in mind.
- Keeping the dancers in their designated area
- Assisting dancers with hair and costume changes, bathroom visits, etc. and performing costume checks before your group takes the stage.
- Escorting younger students on and off the stage.
- Ensure the students have FUN!

Information

- Sign in & out – students will be separated by age groups for drop off/collection. We ask that students are signed in with a tick on your sheet & cross them off on collection. Parents will be encouraged to drop off and collect their child in a quick manner with no lingering around.
- Sanitiser – Santiser will be accessible in each dressing room (please supervise the younger ones as they love bathing in it!)
- Illness – please let Miss Bec or Miss Ashleigh know immediately if a student becomes ill backstage or is presenting signs off illness upon

drop off and we will notify their parents for immediate collection. If you are ill, please stay home also.

- Cleaning – we will have cleaning supplies in each dressing room, we ask that you please use.
- **SIGN IN/OUT** – please sign in/out dancers on the backstage info. Students are required to stay backstage for the ENTIRE half they are in. **ALL STUDENTS ARE REQUIRED TO STAY INSIDE DRESSING ROOMS UNTIL A PARENT IS THERE TO COLLECT.**

Backstage Pass and Clipboard

All Backstage Parents will have a Backstage Pass, which gives you access to all rehearsals and backstage on the performances.

A clipboard will be allocated to each group of students. Inside you will find:

- A list of student names in your group, who needs to be signed in or out at interval, Medical Conditions/behavioural advice and where their dressing room is situated
- Concert Running Order
- Costume Checklist
- Rehearsal schedules

Each group will have a bag of supplies for you to use as required. Miss Ashleigh & Miss Bec will have a list of emergency contact details for each student on us at every rehearsal, so please come and see us if a parent needs to be contacted.

Hair, Make-up and Costumes

Please **UNDER NO CIRCUMSTANCES are you to do a child's hair or make-up if they have arrived without it done.** This is the responsibility of each child's parent and will help to prevent parents relying on backstage volunteers to do it for them in future.

If a child arrives to the full dress rehearsal or to the concert without the correct hair, make-up or costume requirements they are **NOT** to go on stage. (There will be a box with some spare headpieces and accessories that students may borrow (please ensure they are returned) but we do not have spares of everything)

Some things to check before the dancers hit the stage:

- No earrings, nail polish, temporary tattoos, hair ties around wrists, knitted bun nets (for ballet)
- Check costumes and headpieces are on correctly and securely
- Check elastic drawstrings (worms) are tucked into ballet shoes or ends of ribbons tucked in for older girls
- Stocking are clean and have no holes. Stirrup stockings need to be pulled over the toes when students are

wearing them with shoes so that no skin is showing at the ankle.

- Students have enough lipstick on
- No undies are worn – nude bra & brief or body stocking only
- Toilet run for the little ones

Rehearsals & Performances

Please close the door/dressing room door once you have everyone you need in your group. All students are required backstage for the entire concert.

Feedback & Communication

We do appreciate any feedback you may have from rehearsals, so please feel free to write a note in your clipboard or send us an email so we can all work together to ensure the concert runs smoothly for the children.

If there are any children who have holes in stocking, dirty shoes, incorrect hair or make-up, are not in correct costume, or have misbehaved please advise me so we can contact their parents. **Volunteering your time backstage can be both challenging and very rewarding. Without you the concert would not be possible. The students and the directors sincerely appreciate your assistance in making their Concert Season a great one! THANK YOU! ☺**
